

MYANMAR

1. Pray for Myanmar, in its fifth year of an increasingly violent conflict between the ruling military and rebel groups. Millions of people are displaced, and solutions, even a ceasefire, are nowhere in sight.

2. Well-established churches have been attacked. Pray specifically for healing and restoration for traumatized believers in the Christian-majority states of Chin, Kachin and Kayah States.

3. An estimated 2.8 million citizens are displaced from their homes, living in overcrowded IDP camps or fleeing to the surrounding jungle. Ask God to provide for them and watch over their health.

4. Pray with Pastor Yang* and his wife. They were forced to flee their hometown where Yang worked as a teacher and a youth pastor. Pray for the couple's stability. They have had to move repeatedly.

5. Despite being displaced, Yang is passionate about serving and ministering to other displaced believers. Open Doors has partnered with him to bring critical support to persecuted Christians. Pray for their divine protection.

6. Pastor Mun* was also forced to flee his community. "We must leave our homes for our safety. We can no longer go to our churches," he says. Pray for guidance as he discerns next steps for him and his family.

7. Moe Moe*, a believer from Kayah State, has been repeatedly displaced due to the violence. "It is challenging to be on the run every time," she says. Pray for peace and perseverance for your sister.

8. Moe Moe and her husband participated in persecution survival training led by Open Doors partners. Ask God to bless our partner Pastor David* who traveled far to teach them

to respond biblically when they encounter persecution.

9. Pray with Pastor Myint* and his wife May*. They lost everything because of their passion to share the gospel. Local villagers—empowered by the coup—destroyed their home and threatened their family.

10. May asks us to pray: "Because of the war and persecution, many believers are displaced, and we have lost connection with them. Please pray that they will remain faithful to Jesus."

11. Pray for God's providence and grace upon Pastor Myint and his wife. Their health is weak. Pray for their healing and also for their children as they experience persecution and pain along with their parents.

PHILIPPINES

12. Pray for provision for 48-year-old Ramona* in Southern Philippines. Her adult children were abandoned by their husbands for their faith and are still living with her.

13. As a new believer, Ramona was bullied for her faith. She recently participated in Open Doors' discipleship training, and she asks us to pray: "Wherever the Lord takes me in my ministry, may I have no doubts."

14. Continue praying for the peace of believers in Ramona's community. "And pray for those who bully us and persecute us for our faith," she says.

FATHERS' DAY

15. As we celebrate Fathers' Day today, let us pray with fathers around the world especially for those who have been displaced from their homes and are away from their families.

IRAQ

16. Converted Muslims are Iraq's most vulnerable Christian community, susceptible to family rejection, job discrimination and even physical violence. Pray for opportunities for these followers to meet with other Christians.

20. Pray for hope and peace for the Christians who remained in Gaza ... that God will guide them and their future as only He can do. Pray that He will strengthen those who remain (Rev. 3:2).

CENTRAL ASIA

21. Pray with 16-year-old student Alim who was expelled from his college for his faith. He answered his roommates' and even teachers' secret questions about his faith, ultimately leading to his expulsion. Ask God to bring him Christian friends.

22. Due to the stress Alim experienced, he has painful headaches and is reportedly losing his hearing. Pray for his physical healing and effective treatment.

23. Alim is now in a new college. He's more careful about who he talks to but continues to be a witness. "I can't stop talking about Jesus," he says. "I see that people need Him." Pray for Alim's protection.

24. Alim's parents and siblings lead a large Christian ministry in a Muslim-majority country. Pray that God will keep His hand on them and their service.

25. Praise God for Daniel* who recently celebrated 25 years as a Bible smuggler with Open Doors. "I'm using my experience and skills to bring the Bible to persecuted believers in creative ways," Daniel says.

26. Daniel has spent the last 10 years bringing God's Word into a restricted country and asks specifically for prayers for God's continued protection. "God came through every time. Yes, every single time," he says.

27. Pray for Christians in Central Asia who pursue Jesus, growing in their understanding of their call and mission amidst the Muslim-majority population.

SYRIA

28. Continue to pray for Syria and the church there. Our field tells us that crime is growing in the Arab country; streets are empty in the evenings. Pray for an end to the criminal activity and for restoration.

29. Pray that Christians will be chosen to play a significant and positive role in the preparations toward writing Syria's new Constitution. Christian church leaders have asked to participate. Pray for favor.

30. Due to the change in power, Sunni Muslims can now publicly express their faith in Syria's streets. They're calling others, including believers, into Islam. Pray that Christians will stand strong in their faith.

DEMOCRATIC REPUBLIC OF THE CONGO

1. Pray for the Democratic Republic of the Congo's eastern province, where thousands have died in extremist attacks. Pray for comfort and strength for their loved ones
2. Pray for the Lord to bring calm and quiet extremists. Pray for government security to be efficient and that God would end the constant bloodshed.
3. Pray for Christians in the North Kivu province to remain strong in their faith, despite the insecurity. Ask God to give wisdom to church leaders as they lead their congregations to be beacons of hope.

CAMEROON

4. Pray with your Cameroon sister Médéké whose 10-year-old son Joseph was taken by Boko Haram during a deadly attack on their village. "I can never forget that day," says the mom of five.
5. She and the other parents of abducted children in Cameroon's Far North region reached out to our local partners, asking us to stand with them in prayer. "Please pray for me," Médéké says.
6. Pray for Joseph and the other captives. Ask the Lord to strengthen and comfort them... that He will cover them and they would find refuge under His wings (Psalm 91:4).

8. Finally, let's pray for the extremist group Boko Haram. Pray for miracles ... that the Lord will touch their souls, drawing them to Himself and turning them away from their evil actions.

VENEZUELA

9. Pray with Pastor Hilder, a former hitman. In prison, he met Jesus. When he was released, he started a prison ministry to reach people like him.
10. As Pastor Hilder works to bring the Kingdom to the those in his path, he asks us to pray for strength for Christians manipulated by Venezuela's government, which continues to exploit its people.
11. Pray for wisdom, insight, creativity and unity as church leaders work together to develop strategies to care for their members amid growing persecution.

NORTH KOREA

12. Don't stop praying for God to move in North Korea. Pray that He will change Kim Jong Un's heart just as He changed the heart of Babylonian King Nebuchadnezzar.
13. Pray that God will reveal to Kim the truth of who He is and what He's done for him, as He did with the apostle Paul on the road to Damascus (Acts 9).
14. Ask God to reach Kim in dreams and visions; pray that he will hear the cries of his hurting people, including the hundreds of thousands of suffering secret Christians in North Korea.

18. Praise God for our local partners who are walking with Cuong and his family. "Please continue praying for us and the persecuted churches," our partner asks.
19. Thank God that your Iranian sister Ghazal Marzban, 41, was miraculously released after serving only one-third of her six-month sentence in Evin Prison (known as "Iran's torture factory").

20. Ghazal was arrested after protesting the harassment she has endured since converting from Islam seven years ago. Pray for her healing—physical, emotional and spiritual.

21. Pray for Iranian believers still in prison for their "Christian activities." Pray they would experience Jesus in new ways and feel His presence with them.

22. If Ghazal commits any further "offense" within the next five years, she faces four more months behind bars and 74 lashes. Pray for her as she follows Jesus, knowing it could be viewed as an "offense" by authorities.

23. Pray for justice. Pray that those in power would turn from oppression and uphold Christians' rights to freely worship and follow Christ.

CHINA

24. Church leaders are often monitored and regarded with suspicion by Chinese authorities. Pray these leaders will feel the presence of Christ.
25. Our local partner in central China recently sent a request to pray for a Bible class of 30 students. The class is held in a covert place; teachers have secretly taught there for two years.
26. Our partner shares: "The teacher told me: 'The situation is getting more urgent. In early 2024, a Bible class was exposed; the teacher is [now] a wanted man.'" Pray for protection.
27. "A few nights ago, the police tried to attack a church in another town close to us," a teacher shared. Take a minute and think about how you'd feel if it were you. Pray for transcendent peace.
28. Pray for both boldness and discernment for the students who are taking great risks to attend and participate in these classes."

31. Pray for the next generation of the worldwide Church. Pray specifically for the church in China ... that it will flourish in 2025 and bring hope to many, despite the trials believers face.
